GENERAL INFORMATION

1. THE RANGE

The Championship will take place at the very well known Nicosia Olympic Shooting Range, in the area of Latsia, on the outskirts of Nicosia, the capital of Cyprus.

The Range hosted very successfully the 1995, 2003 and 2007 ISSF World Championships, a big number of ISSF World Cups, the ISSF World Cup Final of 2000 and the 1998, 2004 and 2008 European Championships, in the Trap, Double Trap and Skeet olympic events. It also hosted a big number of FITASC Grand Prix and the FITASC UT World Championship 2004.

The Olympic Shooting Range has full cafeteria and restaurant facilities that can offer meals, lunch, dinner etc. at very reasonable prices.

2. RULES AND REGULATIONS

The competition will be conducted according to the FITASC rules and regulations in KOMPAK.

3. ARRIVAL IN CYPRUS

Cyprus through its main international airport in Larnaca and the international airport in Paphos, offers excellent travel connections with Europe. Cyprus Airways (the national airline of the island) has direct connections with many countries whereas many other national airlines (British Airways, KLM, Lufthansa, Swissair, Alitalia, Aeroflot, Malev, Austrian Airlines, Olympic Air etc.) hold regular flights to and from Larnaca airport.

4. ENTRY VISAS

Cyprus is a full member of the European Union and we strongly advise all participants originating from countries which are not members of the European Union, to verify well in advance whether they need a visa for entry into Cyprus. The visas must be obtained from a Cyprus Embassy or Consulate abroad prior to arrival. The Organizing Committee will be ready to supply to the participants applying for a visa, any necessary documentation.

No Schengen visas are acceptable in Cyprus.

Detailed information regarding visas and formalities for entry into Cyprus can be found in the website of the Cyprus Ministry of Foreign Affairs, www.mfa.gov.cy, at the 'travel information for foreign visitors' and 'application' subsections.

5. SHOTGUN CUSTOMS CLEARANCE

European Union Members holding a 'European Firearms Certificate' do not require any form of import permit or license. Upon arrival they must check their shotguns through customs (Red Channel) and verify the serial numbers of their weapons only.

Shooters, not holding a 'European Firearms Certificate' are requested upon arrival at Larnaca or Paphos airports, to present to customs (Red Channel) the completed official shotgun declaration form in triplicate, in order to obtain a temporary shotgun import permit.

The gun permits or the 'European Firearms Certificates' must be represented to customs at the time of departure before check-in.

6. CARTRIDGES

The custom authorities will allow all participating shooters to import with them all the necessary cartridges that will be used for the competition. Local made and other well known imported cartridges (VICTORY, RC, B&P, OLYMPIA, RIO, FIOCCHI) will be available for sale at the shooting range at approximately €5.50 - €7.00 per box of 25.

7. STORAGE OF GUNS AND AMMUNITION
